

## Tryout Registration Information

Due to COVID-19, the 2020-2021 Travel Basketball tryout process will be modified to adhere to regulations.

Following are the current registration guidelines:

- Due to COVID-19 related actions being taken to maintain gathering compliance, we can only accept those registered.
- All interested players **MUST** complete the online tryout registration prior to participating in OBHA Travel Basketball tryouts.
- **Only players, who complete this online registration, will be able to participate.**
- Players **CANNOT** sign up at the park! No walk-ins will be accepted!
- Registration is open Tuesday, September 29th through Sunday, October 4, 2020.
- OBHA must have the final number of participants registered by October 4th so we can plan the tryouts accordingly.
- Roster size, pre/post practice/game actions, and attendance of spectators, will be different from years past. Our expectations are that our OBHA community will be respectful and understand that these decisions are being made in every effort to have the children safely participate in basketball, if and when we are given clearance to participate this season.

**100% compliance to these requirements will be expected by all.**
